

EGO Commercial Hedge Trimmer Head Attachment

REGPTX5100

Details

The EGO POWER+ Commercial Pole Hedge Attachment is designed to be used exclusively with the Commercial Telescopic Power Pole system. The 22in Pole Hedge Attachment has double-sided, laser cut steel blades to ensure durability and longevity against the all-day conditions met by professionals. The Commercial Pole Hedge Attachment lasts up to 2 hours (with the recommended 5.0Ah 56V ARC Lithium battery). The 1in cut capacity combined with up to 3000 SPM work together to get tough jobs done faster. The high-efficiency brushless motor allows for longer run time, low vibrations, and extended tool life. A 6-position articulation and 90-degree rotatable head allow you to cut from any angle to power through a wide range of applications.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
