

Elvex Sphere-X Ultimate Safety Glasses

- Grey
R7068G

Details

Contemporary wraparound ballistics-rated protection safety glasses for harsh industrial environments. Unique frame design with ventilation slots. The adjustable 4-length drop temples gently hook behind the ears for a custom fit, reducing slippage during work activity. The soft, self-fitting rubber nose bridge conforms to a wide range of bridge sizes to enhance comfort and secure fit. These great looking glasses feature SuperCoat Anti-Fog, Anti-Scratch and Anti-Static with superior washable coating. Black vented frames. Meets ANSI Z87.1, CE EN-166, Ballistic Vo rated for impact. Grey lens.

- Ballistics-rated protection
- Ventilation ports
- 4-length temples
- Soft, rubber nose bridge
- Grey lenses; black frame
