

Guards - Aluminum Alloy Foot and Toe, Pr. R7070

Details

Protect your feet! These aluminum alloy foot guards are worn over your shoes for maximum protection for the entire foot-instep and toe area. Designed to withstand an impact up to 75 pounds against falling, rolling or flying objects or accidental foot blows. Ample 5-1/2" width fits over any shoe. Lightweight enough to be worn comfortably all day. Rubber toe clip, crossbar and rubber heel strap with tension buckles provide proper positioning. One pair.

- Withstands impacts up to 75 pounds
- Aluminum alloy footguards
- 5-1/2" width fits over any shoe
- Lightweight
- One pair
