

EGO Shoulder Strap For String Trimmer/ Leaf Blower/ Multi-Head System

REGAP1500

Details

The trimmer strap is designed specifically for use with all EGO POWER+ 15" string trimmers and the EGO POWER+ multi-head system. Experience increased comfort during extended use with this ergonomically designed strap. The strap provides extra support when using your trimmers for an extended period of time or when using them with higher amperage batteries.

- Ideal for Use with String Trimmers and Leaf Blowers plus the EGO POWER+ Multi Head System Power Head w/Battery
- Padded for Extra Comfort
- Transfers Most of the Weight From the Wrist and Arm to the Shoulder
- Reduces Fatigue During Extended Use
