

EGO 550w Power+ 56 Volt Rapid Charger REGCH5500

Details

The EGO POWER+ Commercial Series Rapid Charger is the fastest charger on the market. In just 25 minutes, a depleted 2.0 Ah battery can be fully recharged with the Rapid Charger. The Rapid Charger monitors and controls each cell in the battery pack to control temperature for maximum battery life. The active cooling fan system and advanced communication with the battery supports rapid charging without overheating. The rapid recharge capability ensures limited downtime with any battery in the EGO platform. Please note: This product is restricted from air freight, and will only be shipped ground freight

- Industry's Fastest Charger
- Integrated Fuel Gauge Shows How Much Power is Left in the Battery
- Integrated LED Charge Indicator Lights Show Charge Amount
- Fan Cooled Charging System Prevents the Battery and Charger from Overheating
- Approximate Charge Time from Zero to Full Charge as Follows:
 - 2.0 Ah Battery 25 Minutes
 - 2.5 Ah Battery 30 Minutes
 - 5.0 Ah Battery 40 Minutes
 - 7.5 Ah Battery 60 Minutes
- Charges All EGO POWER+ Batteries
- Complies with CEIC Requirements
