

Valve - 3/4" Brass Shutoff - 2-WAY Y

RG2331

Details

Control water for one to four hoses with commercial grade, high flow shutoff valves providing 35% more water flow than standard shutoff valves. Rust-resistant, heavy duty brass with independent shutoff controls in single, 2-way "Y" and 4-way hose connections to provide peak performance from sprinklers and nozzles. Extra large handles for easy grip and turn. Easy-on swivel connectors. Withstands hot water temperatures. Fits 3/4" hose.
