

Valve-in-Head Hose Adapter & Swivel - Fits Hunter G90 Series

RGD90HHA

Details

The Hose Head adapter is a quick and easy way to convert a standard rotor to a 360 degree swiveling hose bib. This adapter allows you to connect a standard 1" or 3/4" hose to any Hunter G90 rotors. Simply remove the internal assembly, install the Hose Head and you're set. Each Hose Head comes with both 3/4" and 1" fittings.
