

Lutz Super Citrus Tablets - Pkg/20

RP301961

Details

Formulated tablets (8-4-8) effectively feed citrus 12 months a year. Place tablets 4" deep in root zone area to slow release the elements where the trees get their nourishment. Granular fertilizers wash away - tablets stay in place. Use 5 tablets per inch of trunk diameter. Apply annually, any time of year. Feeds up to 12 months.

- Supports citrus all year around
- Place tablets 4" deep
- Slow release
- Use 5 tables per inch of truck diameter
- Feeds up to 12 months
- Apply annually, any time of the year
