

Quick Dam Flood Barrier - 10' - 1/Bag

RQD610-1

Details

Compact, lightweight and ready to use, no sand needed. Quick Dam Flood Barriers contain a super absorbent powder that swells and gels when wet. The Flood Barriers may be stacked 3 feet high to create a sturdy protective barrier to contain or divert flood water. Built-in wedge prevents rolling out of position. Non-hazardous and non-toxic. 10' length. Reusable. Black.
