

Tuffy Poly Scoop Shovel

R2124

Details

Indestructible, lightweight poly one-piece shovel is ideal for landscaping, golf course aerification plug and snow removal, mulch and grain scoop chores. Use on any surface from turf to concrete floors. Extra-thick front edge wears evenly and won't curl like aluminum shovels. Polymer exterior will not scratch truck beds or tear up equipment. This durable, easy-to-clean, non-sparking shovel is rust-proof, resists chemicals and corrosion, and is virtually unbreakable. 14" x 17" (356mm x 432mm x 1070mm) deep capacity scoop head with D-grip handle. 4 lbs.

- Indestructible and lightweight
- One-piece design
- Extra-thick front edge
- Polymer won't scratch or damage equipment
- Rust proof
