

Wood Bay greensIRON Turf Ventilator

RWB3900TV

Details

Attaches easily to the Wood Bay GreensIRON 3900 as an effective alternative to turf spiking. Acts as a massage and acupuncture treatment to the grass, loosening the surface to get air and moisture to the roots. Penetrates the root zone to enhance water and fertilizer absorption and encourage new growth. Aerates turf and relieves surface compaction. Rolls without tearing the green. Creates consistent putting speed.
