

Grand Golf Ball Washer

RP225

Details

Elevate your course with the Grand Ball Washer—where sleek design meets premium performance. Crafted with a stylish die-cast aluminum body and finished in a tough, hard anodized-powder coat, it delivers a championship look built to last. Inside, a high-performance brush ensures every ball gets a superior clean. Thoughtfully designed with a clean, logo-free exterior, a secure carabiner hook for towels, and a seamless collar-to-mount transition for a polished appearance. Plus, the innovative teardrop drain prevents messy residue and overflow stains. The Grand Ball Washer isn't just equipment - it's a course upgrade.
